Dear Notary Public Applicant:

A Notary Public's commission is for a term of ten years and may be obtained or renewed by filing an application with the Secretary of State's Business and Commercial Services office. The Notary Handbook, which you will want to review for explicit instructions, is a PDF file which you can also download from the website.

Arkansas law now requires that notary stamps and embossed seals include a notary commission number, which is issued by the Arkansas Secretary of State. The number will be issued with your certificate/oath.

An applicant for appointment as a Notary Public must list his/her name exactly as the signature will appear on each document notarized and must be in agreement with the notary seal and surety bond. A Surety Bond in the amount of \$7,500 must accompany the Secretary of State Notary application. A list of bonding companies is included in this document on page 3 and provided on the website.

You have 30 days from the date of your commission to file with the Secretary of State and the Circuit Clerk in the county of your residence. Your commission date is located in the body of your Surety Bond.

The Secretary of State offers a free 90 minute Notary Public Seminar on the 2<sup>nd</sup> Wednesday of each month, in the Victory Building, Suite 250, 1401 West Capitol Ave., Little Rock, Arkansas. The seminar covers laws, governing Notaries Public in Arkansas and basic notary information on the duties and responsibilities of a Notary Public. Space is limited for these seminars. Register through the website at [Notary Seminar Registration](#) or by calling Business and Commercial Services at the number listed below.

You must return your Notary Application, Notary Surety Bond and the \$20 fee to Secretary of State Business and Commercial Services:
